Located adjoining the present church structure and nearly equal in size, the new building, fronting on Oak street, will provide Sunday school rooms needed because of the rapid increase in church membership, Rev. Townsend Club Activities

By BETH PAIGE

Perhaps it would be well to begin by saying, we are back on the job once more, after an enforced stay of five weeks in Redlands. Our grateful thanks to President Glidden for his pinch-hitting for this column.

We are holding Townsend club meetings every Friday evening, from now on, at Legion Hall. This club extends deep sympathy to one of our members, Mrs. Caroline Williams of Cedar avenue, who sorrow in the sudden death in far-off India of her son, William Porter.

One of the last social affairs in Portola Hall was put on by a committee headed by Mrs. Ella Davidson assisted by Mrs. Laura Wilson, Mrs. Rena Pruitt, Henry Colburn and Mack C. Luster.

Our first meeting to be held in Legion Hall took place last Friday evening and was well attended. Many were present who had not been with us for a few weeks. It provided a heart-warming welcome for this writer.

The Legion Hall lends itself well to decorations, and flowers from the gardens of Secretary Davis were charming. President Glidden having been called out of the city, his chair was taken by Vice President Sam Nourse. Bulletins from National Headquarters were read.

Fred Wagner and wife from 17th-Headquarters, who is soon to be driving east to the National Convention at Indianapolis, was present and talked upon the work that is hoped to be accomplished there. Rev. Banks of the Methodist church asked cooperation of the club in the Flag Day exercises. Several visitors were present. Piano numbers by Mr. Yeomans and solos by Mrs. Yeomans were welcomed. The committee for the evening headed by Mr. and Mrs. Le May, served refreshments.

Tomorrow, Friday evening, there will be a covered-dish dinner at the clubhouse at 6 p. m. Please call Mrs. Hazel Nourse, chairman of that committee and abide by her suggested items toward making up a well-rounded menu.

Local Students Get Merit Certificates

The local students are majoring in Executive Secretarial courses.

California Ends Poker Bluff

SACRAMENTO (U.P.)—Efforts of California poker players to elevate the status of the game have failed. The supreme court has ruled that draw poker, even under the guise of a "game of skill," is still illegal.

Age Pension Survey Reveals High Salaried Heartlessness

Numerous instances of persons on the public payrolls who are earning in excess of \$200 a month and insist that they cannot or will not assist their aged parents are contained in the progress report of the county auditor's office on a survey of old age pensions in the county.

There are several instances of policemen making from \$185 to \$232 a month who refuse to assist aged parents receiving \$35 a month from the state. No names are mentioned in the report.

An employe of the state earning \$215 a month, when asked whether he could not aid his mother, said "he was under no obligations to her," according to the auditor's report, made by C. E. Cree, who is directing a staff of 30 investigators.

In another case, a man earning \$510 a month does not aid his aged mother and will not answer letters from the charities department.

Teachers Included

Several instances are noted where employes of the federal postoffice refuse to aid their parents. In one instance neither of three sons working for a post-office will aid their mother.

A woman in Idaho, whose mother is receiving a pension said her two sons were in college in the east and require between \$3000 and \$3500 a year, which her husband felt was all they could afford to do.

A teacher in the Los Angeles city school system earns \$276 a month, including rentals from property, and will not aid his parents. Another teacher earning \$157 a month pays the \$3 monthly premium on a life insurance policy under which she is the beneficiary.

A chauffeur and his wife have a total income of \$555 a month from wages and rents from an apartment house but would not permit his wife to aid her mother.

A captain in the army receives a total of \$345 a month but will not aid either of his elderly parents. But relatives of other aged aid cases have declared themselves willing to contribute a total of \$91,000 annually to date.

Hill Dwellers May Get Gas

If an adequate number of residents on the hills above 262nd street on both sides of Western avenue desire the service, the Southern California Gas company will be requested to provide gas facilities in the area.

A survey to determine how many homes in the area are not served by gas, mainly is to be undertaken by the Lomita Chamber of Commerce, according to Secretary H. H. Halladay. Many new homes in the district use bottled gas because the utility's lines do not extend thru all streets.

Five Patients Enter Hospital

Donald Dyrson of Redondo Beach entered Tuesday for an appendectomy; Mrs. Frankie Gentis of 1636 1/2 216th street, was bedded Wednesday for medical care and Judd Clark, Redondo Beach, was received Saturday for medical attention.

Fred Kremer, Redondo Beach, suffered a hand injury Monday at the Columbia Steel plant. He is receiving treatment at the hospital. J. A. Kelley, Redondo Beach, underwent an appendectomy operation Saturday.

Residents Want Madrid Parkway Improved

Demanding improvement of the street park located in the center of Madrid avenue, between Sierra and Dominguez streets, 21 residents addressed a petition to the city council Tuesday night. They pointed out that seven new houses have been erected along Madrid in that section during the past year and two more are contemplated.

The request was referred to the street department for investigation and report at the next council meeting.

With the OLD GRADS of Torrance High

Today Torrance high school is host to its Alumni. Both the afternoon and evening programs are very good. Every graduate should attend.

A new president of the Alumni was to be elected this afternoon. The two running for this office are Ethel Ward Derouin and Thomas McNeil.

At this time we extend thanks to McNeil for the excellent way in which he fulfilled his duties as president of the T. H. S. Alumni and also to the committee that assisted Tom during his term: Margaret Tiffany, Hazel Foster, Mary Jane Smith, Dorothy Amyraud, Florence Buchman, Ray Sleppy, Paul Lessing, John Elder, Helen Smith, Dick Clutter, Dale Howe, Georgia Higgins and Jean Hudson.

Saturday, June 17, our third annual dance is to be held at the Hollywood Riviera clubhouse. The dance will be semi-formal and start at 8:30.
